

WORKSHEET - *Collaboration Math*

PURPOSE: Apply the *Collaboration Math* tool to deepen understanding of key sectors in violence against women prevention.

STEP 1: Answer the questions for the sector(s) you have chosen to focus on.

Sector	What is the <u>mandate</u> or <u>purpose</u> of the sector?	What are the <u>key issues</u> within the sector related to VAW?	What <u>data</u> drives this sector?	What <u>training</u> do people give or receive (not necessarily related to VAW)?	What are the <u>barriers/ challenges</u> to engaging this sector in VAW prevention?
1.					
2.					

STEP 2: What are the implications for framing violence against women prevention to the sector(s) you have focused on?
