kwilson@federalhillhouse.org

Lee Chambers

Director of Men 2 Be Program
Lee.Chambers@health.ri.gov

Rilwan Feyistan

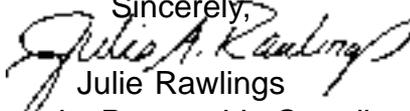

Office of Minority Health
RilwanF@doh.state.ri.us

Inspired by the "Call to Men" Initiative the Women's Center of Rhode Island proudly recognizes the men of our community who have taken the first step in standing along side women in the fight against domestic violence.

**You are the leaders
You are the mentors
You are the role models of the
Providence community.**

We look forward to working with you!

Sincerely,

Julie Rawlings
Community Partnership Coordinator
Women's Center of Rhode Island
