

ALISIA DREW

Engaging Men Project Coordinator
Delaware Coalition Against Domestic Violence

IMPLICATIONS for the Field

- Come from a place of compassion, love + understanding

it's complex

Next Session Ideas:
Balance community needs w/ funder requirements

- Be trained, Have shared language about race

How will our work be different based on listening to community needs?

What are we prepared to do?

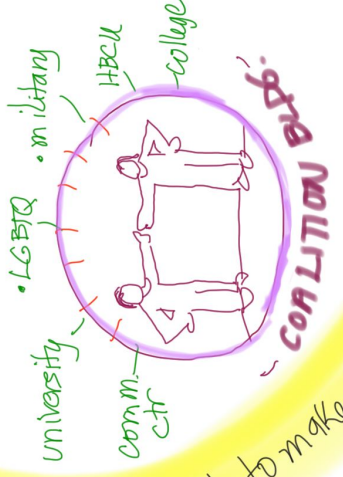

The wisdom of your community partners!

RESOURCES

SUCCESSES

Strategy: Engage Men

"Call to Men" 2010
• Healthy Manhood

ability to make systematic change

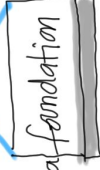

Synergistic value contributions

Address root causes

one size doesn't fit all for bystander intervention

CHALLENGES

to address privilege + power

Applying an anti-oppression framework

capacity

trauma

budget

different levels of understanding

one-on-one work

Be Compassionate, Fulfill Needs

How to move everyone along? Be engaged, accountable?
