

Kansas Grantee Needs Assessment Survey August 2016

Thank you for agreeing to take part in our survey. Your responses will help us assess the community needs surrounding sexual violence in your community area. All of your responses will remain anonymous and no responses will ever be traced back to you individually. The survey should take 5 to 10 minutes of your time to complete. You may stop taking this survey at any time and do not have to answer any question that makes you uncomfortable. Please contact Dr. Elizabeth Ablah at eablah@kumc.edu or 316-293-2627 if you have any questions about this study.

Before we begin the study, we would like to define a few terms to that everyone has the same understanding of the questions we will be asking.

1) **Sexual violence** is defined as sexual actions and words committed against someone without that person's freely given permission.

2) **Violence** is defined as the intentional use of physical force or power, threatened or actual, against another person, a group, or a community that results in or has a high likelihood of resulting in harm.

3) **Community** is defined as the people in town that you associate with (work, friends, church, book club)

4) **Neighborhood** is defined as the immediate area in which you live
