“Violence is Everywhere” Countering a Culture of Violence Through Norms Change

Training conducted by:
Annie Lyles, MSW
Christine Chang, BA

March 9th & 16th, 2010
11:00AM -12:30 PST; 2:00-3:30 PM EST

This Year's Focus: Changing Norms

- Build upon foundational understanding primary prevention
- Explore specific strategies to change the norms that contribute to sexual violence
- Identify opportunities to incorporate the principles of primary prevention in countering key norms to end violence against women

Learning Objectives

- Understand how norms create an environment in which violence is more likely to occur
- Provide examples of success from people and organizations working to counter these violent norms
- Identify strategies being used to effectively counter and change norms
- Identify potential indicators for measuring progress in norms change

Agenda

- I. Overview of Today's Topic & Review Norms Approach
- II. Understanding a Culture of Violence
- III. Countering a Culture of Violence
- IV. Implications and Interactive Discussion
- V. Evaluation

Prevention

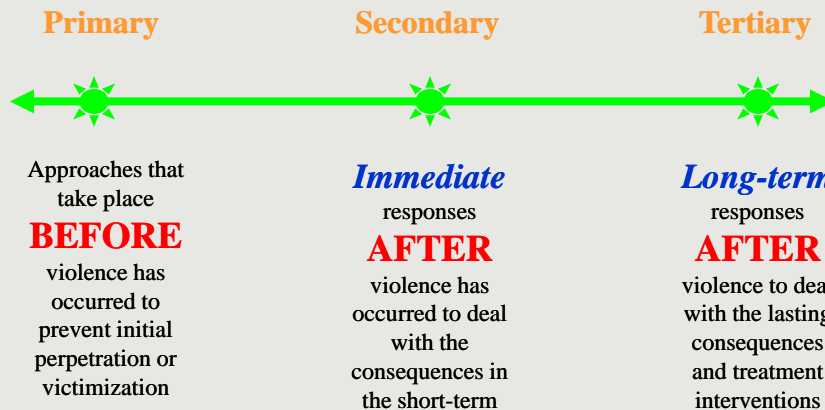

a **systematic** process that promotes healthy environments and behaviors and reduces the likelihood or frequency of an incident, injury or condition occurring.

Primary Prevention

taking action **before** violence against women occurs.

The Prevention Continuum

Norms

Sanction behavior

Taken for granted

Based in culture & tradition

Behavior shapers

More than a habit

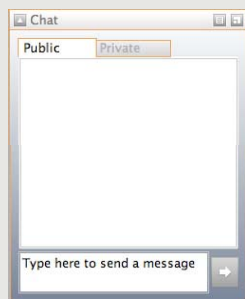

5 Key Norms

Culture of Violence Defining the Norm

What are some examples you have seen of the culture of violence being taught or reinforced?

Culture of Violence

Links to Gendered Violence

How does a culture of violence increase the likelihood of gendered violence?

Use chat to answer

How are different forms of violence linked?

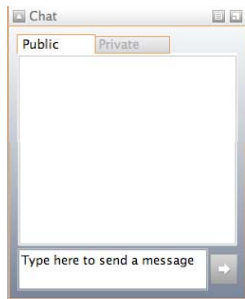

- Different forms of violence co-exist and are interrelated
- Experiencing one type of violence is often a risk factor for another

The Spectrum of Prevention

Countering a Culture of Violence Media Examples

Strengthening Individual Knowledge & Skills

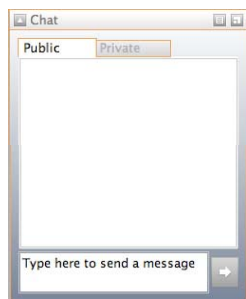

- Sample Strategy:
 - Play & Learn Centers

Promoting Community Education

- Sample Strategy:
 - Offer community skill building, such as media literacy, age-appropriate communication, conflict resolution skills, and relationship building, to increase caring connections

Culture of Violence

What are strategies at the individual & community education levels that counter the culture of violence ?

Educating Providers

- Sample strategies:
 - Offer media training for providers and leaders in the field to help them communicate more effectively with journalists. Include training on how to most effectively pitch a prevention approach.
 - Provide training and establish guidelines for journalists. Encourage the media to go beyond the individual portrait to show the landscape of environmental attributes and social norms impacting the issue.

Culture of Violence

What are strategies at the educating providers level that counter the culture of violence ?

Fostering Coalitions & Networks

- Sample Strategies
 - Develop a rapid response media network to coordinate an alliance of prevention advocates who can respond to breaking news with proactive prevention messages that incorporate an environmental and norms-based understanding of the causes and solutions of abuse.

Culture of Violence

What are strategies at the coalition and networks level that counter the culture of violence?

Use chat to answer

Changing Organizational Policies

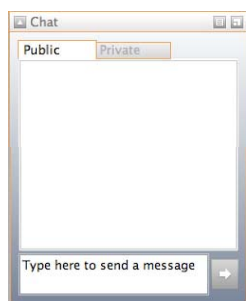

- Sample strategy:
 - Ask YouTube to classify violent content the same way they do sexualized content

Influencing Policy & Legislation

- Sample strategies:
 - Decrease the saturation of media messages aimed at children by reviewing and rolling back the legislation that allowed advertising to children
 - Encourage and offer incentives from state and national governments to retailers and other industries that explicitly state they will not promote violence in their ads and products.

Culture of Violence

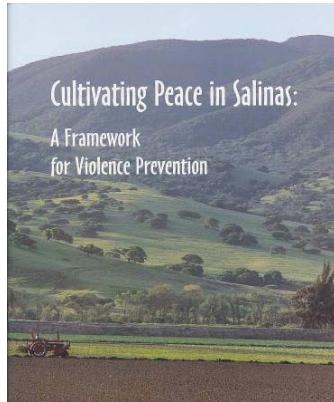

What are strategies at the organizational practice and policy level that counter the culture of violence ?

ENVIS Project ENVISION

Community needs assessment research questions:

1. What is the scope of sexual violence in the community?
2. What are the root causes of sexual violence?
3. What are the prevention priorities?
4. What are the opportunities for prevention?
5. What are the community assets?

PAR data collection tools:

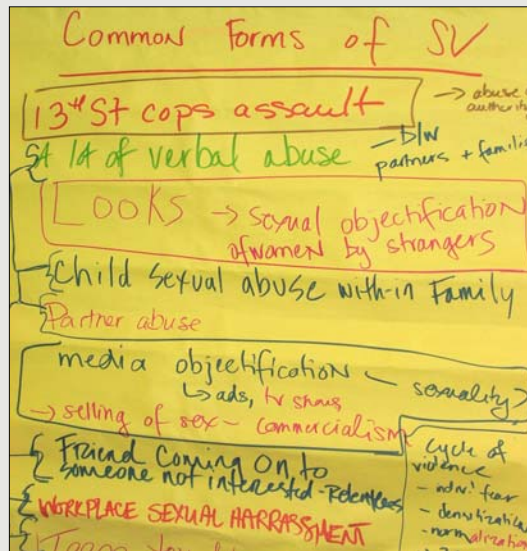

Focus groups

Street-intercept surveys

Community mapping

Key informant interviews

Scope surveys

"Listing & Ranking"

Goals of Coalition Building

- Promote healthy, equitable group dynamics
- Achieve balance between process and action
- Promote the dynamic that we envision for the community
- Engender buy-in and promote sustainability-- transfer ownership from Alliance to communities

Project ENVISION
the LOWER EAST SIDE

In partnership with community stakeholders, conducted a needs assessment to understand the current state of the Lower East Side, a community coalition comprised of local community providers, neighborhood advocates, community leaders and activists, to bring the data to bearing on effective solutions for preventing sexual violence in this community.

KEY FINDINGS EXPLORED:

- Is sexual violence a problem in the community?
- What are the most common forms of sexual violence in the community?
- What are the most causes of sexual violence?
- How can we prevent sexual violence in the community?
- What are the characteristics of the community that are most at risk for sexual violence?

Is sexual violence a problem in the Lower East Side?

Have you experienced sexual violence?	Do you know someone who has experienced sexual violence?
Yes	Yes
No	No

Sample School Indicators

Vision:

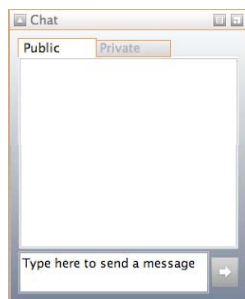

- Kids can go to school without being bullied or turning into a bully.

Measures:

- Decreased bullying incidents
- Increased perceptions of safety on school campuses
- Improved skills to prevent violence among students (e.g. improved impulse control, anger management, empathy, and problem-solving skills)
- Improved ratings of school climate measures
- Improved measures of resilience
- Decreased violence on campus

Culture of Violence

What are indicators that will measure progress towards countering a culture of violence in schools ?

Sample Community Indicators

Vision:

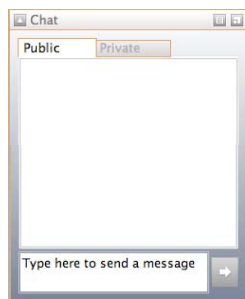

- *Decreased exposure to scenes of violence.*
- *My son could walk to school.*
- *Women walking in their communities after dark*
- *Knowing my neighbors*
- *For every dollar a man earns, a woman would also earn a dollar*

Measures:

- *Increased social cohesion and trust*
- *Increased perceptions of safety*
- *Increased positive feelings about living in specific neighborhoods*
- *Increased positive perception of the community's ability to make change for the common good*
- *Decreased violence, arrests, and crime rates*
