What is known about the correlation?

**Studies estimate that 70-90%
of sexually exploited children
have a history of child sexual abuse.**

Council for Prostitution Alternatives. Portland, Oregon, 1991
Making Connections: Women, Work and Abuse. Deutsch Press, 1993
Sociological Inquiry. Kramer, B., 2003

What is known about the correlation? *What about the traffickers?*

Guido, Risky Business

24% in prior foster care as a child.

48% had run away from home due to physical or sexual assault.

100% of the ex-traffickers experienced physical violence

80% had experienced sexual abuse as a child

The OLP Foundation, 2013

A Comparison of Prevalence

- Child Sexual Abuse:

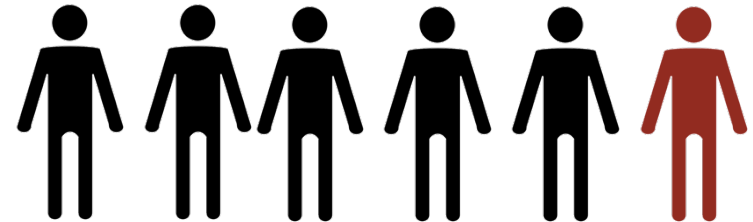

- ACE Study
- Meta-analysis: Prevalence for girls is 10.7% to 17.4%; for boys is 3.8% to 4.6%

Finkelhor, 2013

- NJ estimates:

- 107,000 - 250,000 girls may become victims < age 18
- 38,000 - 166,000 boys may become victims < age 18

Prevalence of CSEC

- Data problematic
- Estimated 199,000 incidents in the U.S. (Estes & Weiner, 2001)
- Estimated “at risk of being trafficked” = 397,000; actual number about 30,000 (Clawson, 2006)
- Polaris Project: 433 calls to “tipline”– 2007- 2014
- Big gaps between estimates of at-risk population and actual cases (Clowson, Dutch, Solomon, Grace, 2009; ASPE; DHHS).

New Jersey Response to CSEC and CSA

COMMERCIAL SEXUAL EXPLOITATION OF CHILDREN

- Task Force on Human Trafficking
- NJ Coalition on Human Trafficking
- Polaris Project
- Super Bowl 2014
- Bipartisan support

CHILD SEXUAL ABUSE

- NJ Enough Abuse Campaign
- NJ Child Assault Prevention (NJ CAP)
- NJ Alliance of YMCA's

The Politics of CSEC & CSA

What Factors Propel CSEC Into the Limelight?

(informal survey)

- Usually outside the family
- A bad guy – the pimp
- Ties to gang activity – drugs/gambling/racketeering
- More prominent role for law enforcement
- Super Bowl

Why CSA May Be Less Popular?

(informal survey)

- Perpetrator known and trusted by family and victim
- 33%-40% of cases adolescent offenders
- Mixed opinions about law enforcement
- What do you think?

Mobilizing Efforts to Strengthen Prevention of CSA and CSEC: Connecting the Dots

WHAT IF?

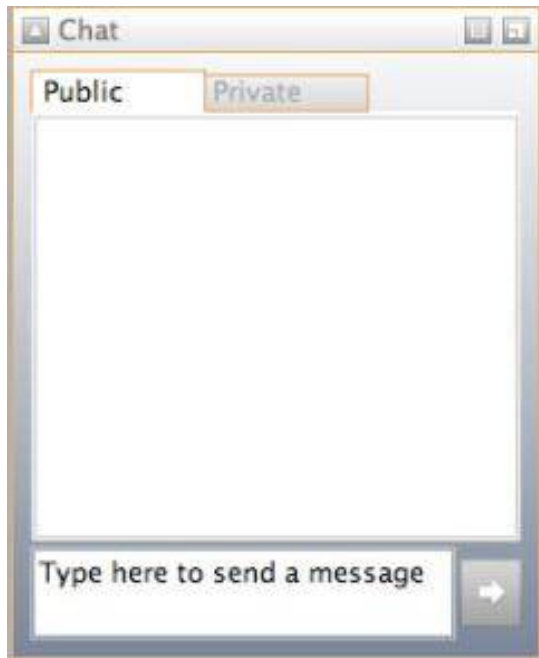

- There was a database about prior CSA in child welfare, foster care and among CSEC victims?
- There was a statewide commission addressing BOTH issues?
- There was a public awareness campaign linking the two?
- We promote a separate hotline focused on CSA?
- There were earmarked resources to prevent CSA?
- There was more research about effective prevention for CSA and CSEC?
- Current CSEC efforts are expanded to include earlier prevention?
- We have mandated evidence-based treatment for CSA perpetrators and victims?

Connecting the Dots: Final Thoughts

- *IF WE DO THESE THINGS, WOULD THEY BE EFFECTIVE?*
- *IF SO, CAN WE DO THESE THINGS?*

Intersections

For those who do CSAP and want to also address CST – what strategies/considerations may help?
