Polling Question

The illustration shows a light blue rectangular box representing a poll interface. Inside the box, there are three rounded rectangular buttons stacked vertically. Each button contains a circular icon on the left and two horizontal lines on the right, representing text input fields. The top button has a blue checkmark icon, indicating it is the selected option. The middle and bottom buttons have empty circular icons, representing radio buttons for other options. The background of the slide features a faint, light blue brick wall pattern.

Health Equity *is* Our Work

“In our work to prevent gender-based violence, we share a vision for a world where individuals, families, and communities thrive. To realize this vision we must create social and physical environments that provide every person the opportunities for good health and positive well-being. This means that **health equity** is our work.”
